Unleash Your Creativity

Interactive Touch

Unleash Your Creativity

Collaboration happens everywhere, from the physical world to the digital world, from personal workspaces to coworking spaces. No matter how and where collaboration takes place, your goal is to instantly connect, freely create, and effectively communicate.

Being able to show your content, and illustrate your ideas digitally by drawing and writing is the key to make collaboration more productive.

- Transform your PC to a **giant touch screen**.
- **Visualize ideas** with best-in-class touch and intuitive Ideao Pen.
- Take notes on your document with full **Windows Ink** compatibility.
- Extended port **connectivity** and power charging to your laptop.
- Enjoy all the benefits by **a simple plug of a cable**.

Revolutionize the way you collaborate.

Sophisticated, High Precision Multi-Touch

Adapt the best projected-capacitive touch, Ideao Hub offers the best user experience with high accuracy and imperceptible latency. Optical bonding technology further eliminates the parallax to give you natural touch and improve the contrast of the display.

Every effort put into Ideao Hub is to offer the most responsive and intuitive user experience, and let you touch, write, and draw as naturally as possible.

Say goodbye to the non-touch display, and enjoy the versatile Ideao Hub!

- ✓ Slim-edge for seamless viewing experience
- ✓ QHD 2560x1440
- ✓ Best in class P-Cap touch technology
- ✓ 4096 pressure level
- ✓ Microsoft Pen Protocol compatible
- ✓ Windows Ink optimization

Extraordinary Writing Experience

Ideao Pen enables the most fluent paper-like writing experience on Ideao Hub. Ideao Pen adopts the high-end MPP 2.0 with 4096 pressure levels, works seamlessly with Windows Ink so you can jot down and save quick notes, ideas, meeting discussions on your documents or on the digital whiteboard.

With an eco-friendly rechargeable battery, simply plug in the type-C cable to charge the pen. With 80 operating hours, the pen is always ready for you.

FLOOR

Bring Your Own Computer,
And You Are All Set.

Let Ideao Hub be the center of your workspace. With one type-C cable connected to your computer, you can start sharing the screen, and touch back to control your laptop. With multiple I/O ports embedded, Ideao Hub works as a big docking station and provide extra connectivities to every meeting peripherals!

In a hot desking environment, people can conveniently just bring their own laptops to work and instantly enjoy every device connected to an Ideao Hub through a simple plug of a cable.

Touch back with just a
single Type-C cable

Team Collaboration

Swivel the stand and let the team see the content clearly from a comfortable angle.

Lift & Tilt

The ergonomic design let you lift up and down to adjust the height, and tilt it to the angle that you can lay your palm comfortably on the screen to write.
Simply Flip

Rotate the display into portrait mode to better read contracts, code programs, or design creative works. Just like a giant pad!

Match Your Space

Ideao Hub is more flexible than the monitor with built-in stand. With VESA compatibility, you can easily fit Ideao Hub into your preferred monitor arm or wall mount on the office desk. Make it match your space, and free your desk.

Easy to Deploy.
Built for Any Space and Professional.

From personal working to group brainstorming, Ideao Hub is built for idea creation, inspiring presentation, and team collaboration in any workplace.

As a team leader, you need the team to collaborate with productivity.
As an educator, you want the students to engage better in class.
As a consultant, presenting your ideas to convince your customer is crucial.

No matter what your profession is, Ideao Hub helps you visualize your ideas to remote team members by expressing yourself intuitively with the smoothest inking experience.

Meet Ideao Hub.
