

innex OPS-A01

Google EDLA Certified OPS Android Computer

The Innex OPS-A01, a certified Google EDLA OPS Android Computer, redefines computing for educators, businesses, and professionals. With a focus on elevating the user experience, it unlocks new levels of productivity and collaboration.

With Google's EDLA certification, it ensures optimal performance with Google applications, seamlessly integrating with Google Workspace. This device transforms the display into a hub for efficient collaboration, offering easy access to Google Docs, Sheets, Slides, and more. Real-time collaboration becomes effortless, empowering users to enhance productivity and share ideas seamlessly. The Innex OPS-A01 is not just a device; it's a catalyst for innovation and efficient digital navigation.

Furthermore, the Innex OPS-A01 is engineered for effortless installation. The plug-and-play setup allows users to seamlessly connect the OPS unit to displays, eliminating the need for complex configurations. Boasting state-of-the-art hardware, featuring the latest processors and ample memory, this OPS ensures lightning-fast performance for smooth multitasking and seamless operation of resource-intensive applications. Experience hassle-free efficiency at its finest.

Limitless Possibilities

The OPS-A01 empowers users to download any apps from Google Play, turning their display into a limitless functional tool. This customization enhances collaboration and productivity, creating a tailored digital workspace for unprecedented efficiency.

High-Performance Computing

Boasting cutting-edge hardware, featuring the latest processors and generous memory capacity, the OPS-A01 ensures lightning-fast performance. Seamlessly handling multitasking and resource-intensive applications, this device sets a new standard for efficiency and productivity.

Plug and Play

The OPS-A01 offers a hassle-free setup, embodying simplicity through a seamless plug-and-play integration with the display, making it an ideal choice for a straightforward and efficient computing solution.

Enhance collaboration

The OPS-A01 is a catalyst for collaborative learning and teamwork, designed to seamlessly integrate with Google Workspace. By fostering a cohesive environment, it promotes intuitive and seamless user experiences, empowering teams to collaborate effortlessly.

Specifications

innex OPS-A01

Computer

| | |
|---------------------------|-------------------|
| Operating System | Android 13.0 |
| CPU | A76x4 + A55x4 |
| GPU | Mali-G610 MC4 |
| RAM | 16G |
| ROM | 256G |
| Wi-Fi | Wi-Fi 6E |
| BlueTooth | 5.3 |
| Touchscreen Compatibility | Yes |
| Display Resolution | 3840 x 2160 @60Hz |

I/O Port

| | |
|--------------|----------------------------|
| USB-C Out | 1 (Supports up to 4K@60Hz) |
| USB-A 3.0 | 2 (Fixed Android TV box) |
| HDMI IN | 1 (Supports up to 4K@60Hz) |
| HDMI Out | 1 (Supports up to 4K@60Hz) |
| RJ45 | 1 (10M/100M/1000Mbps) |
| Audio In | 1 |
| Audio Out | 1 |
| OPS Jack | 1 |
| DC In | 1 |
| Power Button | 1 |
| Reset Button | 1 |

Power

| | |
|---------------------------|--------|
| Power Supply | 12-19V |
| Standby Power Consumption | ≤ 0.5W |

Environmental Conditions

| | |
|-----------------------|-------------------|
| Operating Temperature | 0°C - 40°C |
| Operating Humidity | 10% - 90%RH |
| Storage Temperature | -20°C - 60°C |
| Storage Humidity | 10% - 90%RH |
| Altitude | Below 5000 meters |

Physical Specification

| | |
|------------------------------------|--------------------------|
| Dimension L x W x H (with antenna) | 202 x 152 x 108.7 mm |
| Dimension (package) L x W x H | 1pcs : 267 x 192 x 72 mm |
| Net Weight | 0.63 kg |
