

# On-Board Computer OPS 1260P

## Seamless Integration, Simpler Meetings

The Innex OPS Computer is a smart, plug-in upgrade for your Innex Meeting Hub. Powered by Intel, it instantly turns your interactive display into a full Windows computer—no external laptop needed.

Just slide it into the OPS slot and start collaborating. The Innex OPS also provides additional I/O ports, giving you more flexibility to connect peripherals and expand your setup effortlessly.
